80s Rewind

80s Rewind is a high-energy 80s throwback band designed to transport audiences back to the 80s!

About

80’s Rewind is a high-energy, fully immersive 80s tribute band designed to transport audiences straight back to the decade of big hair, neon lights, and unforgettable hits. Fronted by dynamic co-lead vocalists and featuring three powerhouse lead singers (1 male, 2 female), the band is backed by a driving rhythm section with drums, sax/trumpet, and keyboards—delivering an authentic, polished, and electrifying live experience.

Our setlist spans iconic artists such as Journey, Prince, Pat Benatar, and many more. But this isn’t just a concert — it’s a full 80s experience. From period-inspired costumes and stage names to dynamic lighting, on-stage antics, and nonstop crowd engagement, every show is designed to feel like a true throwback party that keeps audiences singing, dancing, and talking long after the final song. We lean hard into the fun: 80s-style outfits, big crowd interaction, and a dance-floor-first vibe. One of our fans described us as “My favorite 80s cover band!” and that really captures what we try to deliver. We’re not looking to simply stand on a stage and play songs; we want to create a full-on 80s experience.
