About

A seasoned crew of musicians with a knack for reading a room and keeping the energy high, Bad Habit delivers the kind of live show that blurs the line between concert and party, with big vocals, infectious grooves, and a crowd that rarely stays a strangers for long.

We are a full-service outfit with our own lighting and sound. Just give us a stage and we'll give you a show! Your guests will have a great time and you will enjoy how easy we are to work with!
