Blue Breeze Band

About

Blue Breeze Band performs across the United States with a live mix of Motown, R&B, Soul, Funk, Jazz, and Blues. The band works across event settings including concerts, festivals, weddings, and corporate galas, with a format that can support either a dance-focused set or a more refined background atmosphere.

The lineup ranges from 7 to 12 pieces and includes male and female vocals, keyboards, drums, guitar, bass guitar, and a horn section. That gives buyers a clear band setup with both vocal range and full-band instrumentation.

Musicians in the band have played alongside Teena Marie, Evelyn Champagne King, the Brothers Johnson, L.T.D., The Temptations, Lakeside, and Edgar Winter. For buyers looking for a specialty act with broad stylistic coverage and a flexible live presentation, Blue Breeze Band is built to fit both high-energy and more formal event environments.
