Bumptown

About

Bumptown is a Southern California performance band built around live dance, Latin, and Old School grooves. Nothing is pre-recorded. What the audience hears and feels is 100% real.

Lead vocals are handled by Becky Moon-Diaz and Andy Rojo, with Aaron Reyes on drums, Sal Esquer on lead and rhythm guitar, Ivan DeLeon on bass and backup vocals, and Ernie Salas on sax and flute. The lineup gives buyers a clear sense of the live band sound on stage.

Bumptown performs regularly at city and county shows, casinos including Pala, San Manuel, Agua Caliente, Pechanga, Pauma, and Fantasy Springs, corporate events including Disney, United Airlines, and the Acura Grand Prix of Long Beach, plus private events and weddings.

The band is not boxed into one lane as much as defined by its groove-first approach. If it makes people move, it fits the Bumptown set.
