Flashback Heart Attack

Flashback Heart Attack

About

Flashback Heart Attack is a new wave 80s show from Orange County, CA that also plays internationally. Built around the biggest new wave 80s hits and other crowd anthems, the set includes songs like Just Like Heaven, Your Love, Blister in the Sun, Jesses Girl, and Dont Stop Belivin.

The show combines a big sound, detailed accuracy, witty stage talk, choreographed moves, funny stage shtick, and authentic leather suits. The approach is high energy from the start, with a format designed to keep people singing and dancing early rather than building slowly.

The act has become a regular choice for corporations, events, sports stars, schools, and celebrities looking for a fun 80s-focused live show. Flashback Heart Attack is positioned less as a standard cover band and more as a full 80s act, with equal focus on the songs, pacing, and stage presentation.

They give 100% every show and move seamlessly through well-known 80s material that audiences already know and remember. For buyers, the pitch is straightforward: a new wave 80s show with recognizable songs, a defined onstage look, and a performance style built to keep the floor active across a wide range of crowd sizes.
