FM Frequency Mashup Band

About

Do you want your 70 year old auntie and your 21 year old cousin on the dance floor at the same time because they BOTH know and love what they're hearing? Of course you do. But how?

Well, it's NOT by hiring the same band playing the same songs the same way as EVERY OTHER BAND in the country?

FM Frequency Mashup band is a 9-piece super group with 4 lead vocalist and a full band, complete with horn section, that takes the biggest hits from the 70's, 80's,90's, 2000's through current and we MASH them together to create dance floor packing super hits!

If you want to KEEP your crowd...regardless of their age...this is the band!
