About

Big vocals. Guitars with bite. Songs people know by heart.

LA Winter is a high-energy, female-fronted rock band bringing a fresh edge to favorites from the '70s through today, with a repertoire especially strong in '80s, '90s and 2000s rock. From Fleetwood Mac and Joan Jett to Alanis Morissette, No Doubt, Paramore and The Killers, LA Winter moves effortlessly between rock, alternative, grunge, pop, blues and country — including unexpected favorites given the band's signature rock treatment.

Built around powerhouse vocals, tight musicianship and genuine crowd connection, LA Winter delivers a fun, energetic live show that gets audiences singing, dancing and engaged. With multiple vocalists and hours of material, the band has the versatility to entertain everything from concerts and festivals to casinos, corporate events and private celebrations.

"Their show is super fun, packed with energy... They are extremely professional both on and off the stage and I know if I am ever in need of filling a spot I can always count on them. Ten out of ten would recommend them to any venue looking for a great party band!"
