MargaritaWorld

About

MargaritaWorld is presented by The Stinson Brotherz, also known as Ricky-Bobby. After early aspirations of playing in the NHL, they moved into entertainment and were signed by Capitol Records Hollywood.

Their live background includes performances on the Sunset Strip, on cruise ships, in multiple Las Vegas showrooms, and throughout North America. Robin Leach described The Stinson Brotherz Show as a fun, fun night out.

The brothers are known for bringing the audience into the show and keeping the atmosphere loose and upbeat. Margarita World is their Jimmy Buffett and Alan Jackson tribute show, built to put the room in a tropical state of mind.

They also perform other artist tributes, including Only in America, an award-winning tribute to Brooks & Dunn.

Outside of performing, Bob Stinson is a western historian who writes for True West and Wild West magazines. Rick spent several years on the water and became a 100-ton boat captain. As one review put it, they don’t just sing it, they live it.
