Mystic Tiger Band

Long Beach cover band for weddings, corporate events, yacht clubs, and lively dance-floor receptions

About

Mystic Tiger Band is a live cover band from Long Beach, California, available for weddings, corporate events, private parties, hotels, lounges, yacht clubs, cruises, restaurants, festivals, galas, and destination events.

Danny Mancuso performs vocals, sax, and flute, while Christina Dillon performs vocals, guitar, and keys. Danny is Berklee-trained and was mentored by Grammy-winning bandleader Woody Herman. Christina brings lead vocals, guitar, keyboards, and harmonies to sets ranging from quiet dinner music to dance-floor favorites.

Book the duo with vocals, sax, flute, guitar, and keyboards; add bass, drums, or congas for a trio; or expand to a full band with lead guitar, bass, and drums. Additional players, horns, DJ, or DJ/sax can also be added to a lineup.

The repertoire includes R&B, Motown, yacht rock, oldies, classic pop and rock, current pop, jazz, cocktail and dinner music, romantic duets, country and folk, and dance-party favorites. Clients can send must-plays ahead of time, and the band can provide ceremony music, cocktail-hour sets, dinner music, first-dance songs, and full dance-floor receptions.

Every package includes a sound system and ambient lighting. Mystic Tiger Band provides its own PA

and a microphone for toasts, typically performing one to five hours in sets. Based in Long Beach, the band plays throughout Los Angeles and Orange County and travels for weddings and special events far and wide.

Short bio
