About

Past Action Heroes is a cover band built around a fun spoof of small-screen heroes, with a dance-party format centered on iconic hunky heroes and a mission to bring back a totally awesome decade.

The show is designed to keep people moving all night, with crowd-focused pacing that works for small gatherings and very large crowds alike. Their concept is easy to place for buyers who want a themed, high-energy cover act rather than a standard band presentation.

Past Action Heroes has a proven track record, playing sold-out shows at over 6 different clubs per month and more than 150 shows per year in front of thousands. For buyers scanning quickly, the signal is simple: this is a busy act with a clear theme, strong dance-floor intent, and experience playing to rooms of different sizes.
