San Antonio Lights

About

San Antonio Lights is a Journey tribute band focused on the songs, sound, and live feel associated with Journey. The act is built around faithful renditions of the band's music, with close attention to the musical arrangements, vocal harmonies, and instrumental solos that define the original recordings and performances.

Formed by skilled musicians who are also dedicated Journey fans, San Antonio Lights is designed for audiences who want a set centered on familiar Journey material. The group's approach is rooted in accuracy, aiming to reflect the character of Journey's live shows while keeping the energy of a rock concert front and center.

Their setlists feature Journey hits including Don't Stop Believin', Separate Ways (Worlds Apart), Any Way You Want It, and Wheel in the Sky. The performance style leans high-energy, with an emphasis on strong musicianship and a clear connection to the source material.

San Antonio Lights typically performs in theaters, concert halls, clubs, and outdoor festivals, making the act a clear fit for buyers seeking a Journey-focused tribute for a range of live event settings. For classic rock fans and dedicated Journey listeners alike, the show is centered on well-known songs and a respectful recreation of the original band's sound.
