That Vibe The Ultimate Party Sensation

About

That Vibe is a Top 40 and variety dance band based in the Greater Los Angeles area. For 20 years, the band has been one of Los Angeles' best-reviewed and most sought-after options for buyers looking for a full dance-band setup.

The group performs with an 8- to 12-piece lineup that includes a 3-piece horn section and five lead vocalists. That instrumentation gives buyers a larger-format band built to cover a wide range of material.

Their book spans songs from the big band era through the modern era, with the tools to recreate each selection with close similarity to the original artists. For buyers scanning for range, scale, and a proven Los Angeles-area dance band, That Vibe presents a clear large-band option.
