The Disco Freaks

The Disco Freaks

About

The Disco Freaks is a disco specialty act with both male and female singers and a strong visual setup built around the 70s look. The male members dress the part with big afros, bell bottoms, and platform shoes, giving the show a clear Studio 54 feel on stage and on the dance floor.

Fronting the female vocals, Tricia Kelly was a big winner on the TV show Don't Forget The Lyrics and performs hits from Donna Summer, Chic, and more. The result is a live disco set designed for parties and event crowds that want a 70s atmosphere.

A solid fit for Christmas parties or other events, The Disco Freaks brings live disco with an active, dance-focused feel.
