The Experience

The Experience: A Tribute to R&B and Motownphilly Legends

About

Based in Tacoma, Washington, The Experience is a cover band focused on the R&B and New Jack Swing era. Their 90-minute show centers on the songs and style associated with the Motownphilly sound.

The set draws from hits by New Edition, Bell Biv DeVoe, Boyz II Men, Bobby Brown, Ralph Tresvant, and Johnny Gill. The group recreates the smooth harmonies, vocal arrangements, and choreography tied to that catalog, giving buyers a clear, era-specific format built for sing-alongs, dancing, and familiar crowd response.

For events that want a dedicated tribute to this period of R&B rather than a mixed-format cover set, The Experience offers a focused show with recognizable material and a performance style shaped by the sound that helped define modern R&B.
