The Hits

Tribute to The Spirit of America

About

The Hits is a live cover production built around two shows: The Hits and The Hits: A Tribute to the Spirit of America. Based in Las Vegas, the act centers on well-known songs across pop, rock, country, R&B, and dance, with a format designed for all-ages audiences.

The Hits moves through multiple decades of music drawn from radio, television, and film. The setlist spans artists including Queen, Journey, Shania Twain, Beyoncé, Bruno Mars, Garth Brooks, Whitney Houston, Michael Jackson, Madonna, Billy Joel, Earth, Wind & Fire, Stevie Wonder, and Lady Gaga. The show combines live band performances, strong vocals, specialty acts, and multimedia elements to keep the pacing broad, familiar, and easy for audiences to connect with.

The Hits: A Tribute to the Spirit of America takes that format in a patriotic direction. It focuses on music that helped shape American pop and highlights its roots in Blues, Gospel, and R&B. The show features fresh arrangements, cinematic visuals, aerialists, and specialty performers, with a red, white, and blue presentation built around songs and artists tied to American culture and pride.

For buyers, the concept is straightforward: two established show formats, a wide song base, and a production style that blends live music with visual elements. Whether the goal is a broad crowd singalong, a multi-era cover set, or a patriotic-themed program, The Hits presents a clear, audience-friendly format.
