The Liverpool Invasion

The authentic Rock n roll experience of The Beatles!

About

This group is a mega group bringing together the best of the best from all over the country! We have 2 life long friends turned brothers with Michael Thomas as Paul Mccartney and Ryan Paradiso as george harrison. The irony is these 2 started together when they were both 12-13 years old and shared more of a John Lennon and paul mccartney bond. Spending years together going over their craft, exploring and seeking the right opportunities. They started a group called Liverpool Mania but due to conflicts, and business disagreements, along with not being able to take it where they wanted it to go, they both ventured off their own way. Regardless of their path, they still stayed brothers so Michael decided to start up a new project. One that could guarantee no problems, no conflicts and it was also an attempt at keeping good friends close along with the new ones that soon came along for the ride. Grant Gerlach playing the part of John Lennon is a music prodigy coming out of Denver Colorado. Grant started beatology in 2015 at the young age of 16 years old. Him and his band made quite the following. Their videos would make quite the smash all oved social media with their look alike and record perfect sound quality hes mastered the tone and instruments and can play just about anything. Miles Levine playing the part of ringo Starr another child prodigy coming out of New Jersey made waves with his band Liverpool along with his cover videos where you can see him nailing every drum fill of ringos style immaculately. This is the cast that makes up the magic and record perfection as these boys are not just a band, they are a family and it shows on stage. They bring not just record perfection, but their performance is as if you were watching and listening to the beatles live in 1964 and beyond. They bring the charisma and Character of the Beatles back to life. They guarantee an

epic performance taking you back in time to witness the magic of Beatlemania like you've never seen!
