ABOUT

TITANS OF ROCK -
LIVIN' ON A PRAYER (Bon Jovi tribute) & NEVER STOP BELIEVIN' (Journey tribute) has been headlining stages all over the U.S. and beyond since its inception in 2008. Venues such as Florida's Meyer Amphitheater, Abacoa Amphitheater, Hollywood ArtsPark Amphitheater, Sunrise Amphitheater, Digital Domain Stadium, Roger Dean Stadium and the Daytona Beach Bandshell have all recognized LIVIN' ON A PRAYER and NEVER STOP BELIEVIN', together known as TITANS OF ROCK, as the premiere tributes to Bon Jovi and Journey, drawing record crowds and delivering their greatest hits with unmatched passion, precision and finesse.
The band was formed through the partnership of bandleader/keyboardist/vocalist, Gary Bivona, with musical collaborator and bassist/vocalist, Kam Falk.
TITANS OF ROCK has traveled to international destinations like Santo Domingo, Honduras, Trinidad, Manitoba, and throughout the U.S. entertaining audiences at historic theaters such as The Grand Theater in Georgia, The Ritz Theater in Florida, the Calumet Theater in Michigan, and the Rockbox Theater in Texas.

Venues such as the Daytona Beach Bandshell often boast audiences which range into the tens of thousands. Based in the Southeastern U.S., the band has the incredible privilege of working with lead vocalist, Stephen Alan, a seasoned rock and pop vocalist who can perform in an extremely wide range of styles. Stephen's voice captures the essence of both Jon Bon Jovi and Steve Perry at the height of their careers. Stephen puts his entire heart and soul into delivering the roles of these lead vocalists, adding his remarkable guitar skills to the songs of Bon Jovi. Backed by band members Gary Bivona (keyboards/vocals/ musical director), Mike Murray (guitars/vocals), Kam Falk (bass/ vocals) and Steve Quinto (drums), Stephen brings both the look and sound of Bon Jovi and Journey to every TITANS show, complete with four-part vocal harmony arrangements by Gary Bivona. Unlike many of today's tribute acts, this band performs 100% live - no pre-arranged tracks are used. Don't miss the extraordinary passion, musicianship and showmanship of TITANS OF ROCK!
