Totally 80s Band

Totally 80s Band

About

Totally 80s Band is a tribute to the 1980s built around the songs and references that define the decade. The show leans into familiar titles and singalong moments, with nods to Back to the Future, The Cure, Girls Just Want to Have Fun, Jenny, Billie Jean, Jessie's Girl, Motley Crue, Dirty Dancing, and In the Air Tonight.

The feel is nostalgic, playful, and designed for crowds that want a full 80s throwback. It plays as a guilty pleasure in the best sense: recognisable songs, shared references, and a set aimed squarely at fans of the era.
