Y2K!

About

Y2K! is Seattle's first 2000s tribute band, built by Millennials to celebrate the early 2000s music they grew up with. The band brings together five vocalists, the tribute act Poker Face (A Tribute to Lady Gaga), and Haus of Sound for a set centered on recognizable hits from the era.

The song list pulls from artists including Ludacris, Baby Bash, Britney Spears, Usher, Snoop Dogg, Linkin Park, Christina Aguilera, Amy Winehouse, and Lady Gaga, along with more chart-driven material from the 2000s. The live show leans into the Y2K theme with track suits, flip phones, and other visual cues tied to the period.

Y2K! has also expanded the format to include dance hits from 2012–2025, giving buyers a broader pop-focused range while keeping the early-2000s identity at the center of the show.
